CHIEF OF POLICE DAN CASE DIES

Brisbane Police Chief Dan Case, 34, the only member of the one-man district police force, was killed instantly early Sunday, a. m., when his car plunged over a four-foot embankment on the Chico-Paradise Skyway in Butte County. He was thrown from his car, which crashed on top of him.

At the time of the accident Chief Case was returning from a hunting trip. He is survived by his widow, Jean, of El Dorado St., Brisbane, and two children, Nina, 8, and Daniel, 4.

Mr. Case had been chief of the Brisbane police district for nearly two years. Prior to that he was

chief of police at Wells, Nevada. During the war he was a master sergeant in the Air Force criminal investigation department, and was scheduled to return to active duty October 25.

He was a member of Brisbane Post, American Legion, the Brisbane Lions Club, the Loyal Order of Moose, and the Peace Officers Association of California and Nevada. He was also a member of the Air Scouts committee and an assistant Advisor.

The Brisbane Legion conducted the services Wednesday at 8 p. m. in the chapel and again at the graveside in Golden Gate National Cemetery, San Bruno.

BRISBANE P. T. A. GLEE CLUB BIG SUCCESS!

Bring out the superlatives ... they were all merited by the Brisbane P. T. A. Glee Club when they made their first appearance at the unit's September 28th meeting. Before an enthusiastic crowd of over one hundred and fifty persons. The choristers sang a quartet of songs, with their rendition of "Dry Bones" appearing to be top favorite with the audience. Frank King, the club's capable director, was his usual humorous self, and had the audience laughing uproariously several times.

Outstanding was the soloing of Arthur Kennedy and Marvin Moore and the piano accompaniment of Beth Duncan, particularly in "Dry Bones." The glee club, the only one of its kind in the 17th District P. T. A., will sing at the October 12th evening meeting of the Jefferson Union High School unit. After their magnificent performance September 28th, there is no doubt that their forthcoming minstrel show will be a big success. So don't forget! ... We'll be seeing you at "PLANTATION DAYS," 8 P. M., NOVEMBER

4th, at JEFFERSON UNION HIGH SCHOOL AUDITORIUM IN DALY CITY!

At the business meeting, conducted by Mrs. Roy Edwards, president, it was voted to cooperate with other local organizations in giving a Xmas party for Brisbane children and the unit will donate up to fifty dollars for that purpose. Urging members to Vote NO on Propositions 1 and 6, was Mrs. Clinton Stewart, citizenship chairman.

The teachers were introduced by Miss Lois Barry, principal, and an introduction of our three school trustees by Miss Natalie Lipman, superintendent. According to Stanford Bingham, director, an adult recreation program will soon be initiated at the center.

October has been and continues to be a busy month for the unit, what with the Membership Drive commencing October 9th, the Mother-Teacher Teas on October 11th and 12th, and the annual Halloween Carnival, October 31st.

Because sixteen parents of eighth graders were present, the class won the attendance banner which was presented to Mrs. Monte Rice, 8th grade teacher.

Diane Mooers, age 7, of 280 Kings Road, won third place and a gold trophy for her participation in the Water Skii event at the Water Carnival and Bass Derby held in Rio Vista, October 7th.

Diane is the youngest girl Skier on the Pacific Coast, creating much comment by her good form and spirit for so small a person.

She earned a small bronze medal for her water skiing activities during the Columbus Day celebration at Yacht Harbor in San Francisco.

In last month's Brisbane Bulletin a social item mentioning Mr. Morst, of Solano St., was followed by a mentioning of Mr. and Mrs. Fred Morst, of Sierra Point Road. Ye reporter would like to know, if it was discovered they were related and if, this paper was the means by which they were able to meet each other.

Mrs. David Bradley and children spent another wonderful 10 days at their family place near Placerville. Had a lovely time swimming every day amongst the trout and catfish.

Say, Slim, why didn't you catch those 2 lovely trout in your hand as they came by? You said you were looking for some.

Mr. and Mrs. A. E. Moorehead and family, recently returned to their home at 676 Sierra Point Rd. Al has been stationed in Crescent City, Calif., where he worked for the C. A. A. and was acting weather man for the government. He is now back at his old job at Mills Field with the C. A. A.

HOME TOWN FOLKS

Under the able chairmanship of Clifford Mozzetti, the Lions Club meeting on Wednesday evening, October 4th, was "Ladies' Night." Refreshments were box suppers and were enjoyed by twenty-five couples.

The door prize, a case of Old Crow, was won by Frank Mills, who as indeed surprised upon opening the box to find one of Mozzetti's Red Roosters!

Visiting at the Milt Jeusen home is Miss L. W. Holmberg of Los Angeles and Mr. and Mrs. S. Swirsky of Santa Monica.

Mr. Swirsky is the Feature Editor of the Santa Monica Outlook.

Mrs. Swirsky is a sister of Mrs. Byron Jensen.

Congratulations to Freddie Radoff, who was married in Carson City, Nevada on October 2nd.

Freddie is a former resident of Brisbane, now residing in Georgetown, California.

H. Earle Woodard, who was transferred from Fort Miley to the Franklin Hospital two weeks previously, returned home last Friday.

BAYSHORE FREEWAY PROJECT IN HIGHWAY BUDGET

Commission Allots \$7,027,000
For Street Improvement in City;
Alameda Gets 10 Million

Plans were being made today by the State Highway Commission to complete additional sections of the Bayshore Freeway and to start the first portion of the overwater freeway from San Francisco's south limits. The Commission, in announcing plans to spend \$78,808,500 in the next fiscal year on improving state roads, announced more than 28 million dollars will be spent on freeway construction in San Francisco, Alameda County and Los Angeles.

New Freeway

In San Francisco, sections of the Bayshore Freeway will be completed to carry the route from Augusta St. to Bryant St. to tie in with the Bay Bridge route. A stub of U. S. 101 from Bryant to Mission st. on the route north also will be completed.

And the first section of an overwater freeway from the city's south limits to tie in with the present freeway which now stops on the north side of South San Francisco is programmed. The route will be from Candlestick Point to Sierra Point across a section of the Bay. Of the eventual 12-million dollar cost, \$3,600,000 is allotted.

Freeway construction in San Francisco will cost \$4,927,000 out of a total of \$7,027,000 allotted within the city.

Public Works director Charles H. Purcell said the budget was based on anticipated gas tax receipts between July 1, 1951 and a year later, plus shares of auto registration fees and Federal grants.

CIVIC IMPROVEMENT PLAN

A group of people, nearly every one a delegate from some organization of Brisbane, met Wednesday evening to discuss forming an organization for improvement and beautification of Brisbane.

So far, no concrete plans were formed. An open meeting will be held at the American Legion hall which date has not been set as yet.

This improvement plan shows good thinking on someone's part. Undoubtedly with a cleanup campaign and a little planting, with its small amount of upkeep, the would be charm of this little community would be immeasurably increased.

JEFFERSON P. T. A.

The regular meeting of the Jefferson Union Highschool P. T. A. was held Thursday evening, October 12 in the school auditorium.

The business meeting was short bringing to everyone's attention the membership drive, now starting, and the legislative activity necessary to prevent propositions Nos. 1 and 6 from being foisted on the citizens during the coming elections.

Most of the following time was spent in listening to Mr. Stevens' students of music, Mrs. Keaton's dramatic class selections and the Brisbane PTA Glee Club, under direction of Mr. Frank King.

Following this delightful entertainment, Mr. Hannah, school superintendent introduced the faculty to the parents.

Announcement was made of the forthcoming Bazaar and Rummage sale to be held in the Masonic Hall on November the 10th.

Coffee and cake were served from a candlelit table set in the auditorium and a pleasant hour given over to the parents and teachers for discussion and mutual understanding.

The next regular meeting will be held November 9, at eight p. m.

Regardless of how many generations of "City Blood" flows in our veins, nearly everyone relishes the feel of Fall weather. Somehow the drift of smoke from burning leaves and the turning colors of a stray maple stirs up the memory of passing years.

There is satisfaction and anticipation in the oncoming storm; whose warm, gusty wind acts like a broom to sweep away the last breath of summer, of dusty chrysanthemums, of fresh apples and dry earth in a pungent perfume.

The knowledge that Thanksgiving and Christmas are just around the corner of the year is happily met. The last wool blanket has been washed and folded, handy for

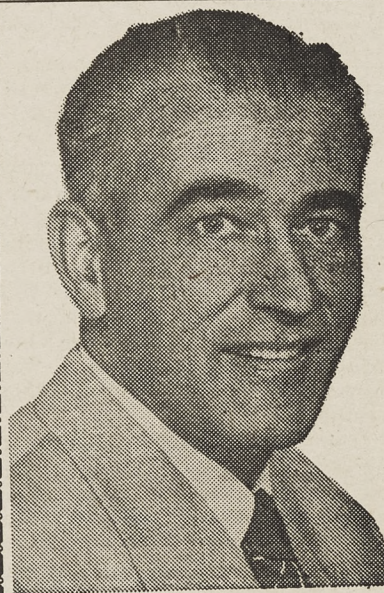

winter's need. Orange and plum, the canned fruit glitters in the dark corner. The shrubs and trees are pruned and tucked to sleep until the winter's cold is gone.

Thus the housewife and the farmer, both take thought with joy that again, the fundamental work of living has completed its cycle.

CANDIED TOMATOES

4 pounds fresh tomatoes
2 cups sugar
1/4 cup of water
1/2 stick cinnamon

Mix sugar and water together; add the cinnamon stick and bring to a boil. Dip the tomatoes for a few seconds in boiling water. Add to the syrup and cook slowly until thickened - or about 45 minutes. Remove cinnamon stick after first 20 minutes of cooking. Makes two cups.

SHERIFF JAMES J. (JIM) McGRATH

An intensive campaign for the re-election of Sheriff James (Jim) McGrath at the November 7 general election is being launched today, according to Claude J. Hershey and Irving E. Kesterson, co-chairmen of McGrath's county-wide campaign committee. Hershey is former mayor of San Mateo and Kesterson, who resides in Atherton, is a retired cattleman, and active in civic affairs.

Hershey and Kesterson said the McGrath campaign will be spearheaded by men and women representing every phase of community life throughout the county, who are serving as members of the McGrath county committee. General headquarters of the campaign have been opened at 122 Second Avenue, San Mateo.

The Sheriff is past exalted ruler of the San Mateo Elks. He is past president of the California Police Officers' Association; past president California Sheriff's Association; member, International Police Chiefs' Association, and president of the San Mateo County Police Executives' Association.

He resides with his 89 year-old father, and his brother, a veteran of World War I, at the family home, 601 Ansel Road, Burlingame.

BRISBANE GARDEN CLUB

Brisbane Garden Club members visited Podesta and Baldochi's Florist shop in San Francisco this month. Also at the same time the Club viewed the Chrysanthemum displays at the City of Paris and Macey's.

Last month the Club met in the home of Mrs. E. Whitson and enjoyed a paper bag lunch and discussion of current gardening problems.

GIRLS SCOUT NEWS

The Brisbane Girl Scout Troop, thru the efforts of all leaders and committee men, have joined the South San Francisco Girl Scout Council under the Colma Federation of Councils for the northern end of the county.

By popular vote, Mrs. M. F. Jensen was again designated neighborhood commissioner. Mrs. J. Grabovsky accepted the registrar's chair, with Mrs. T. Bhend as Training course chairman.

Training courses for new and old leaders and committeemen are now in session at the Orange Ave. Recreation center in South San Francisco.

The council service offer many advantages to the growing troops of Girl Scouts in this community, such as: Insurance for drivers on girl scout transports and against any injury received by a girl while enjoying in a scout activity. Also, a greater chance and opportunity for every girl to enjoy outdoor camping at a regular girl scout camp. Last but not least, is the advantage of the leadership and craft training courses offered by the trained leaders of the Federation.

Anyone wishing further information on this council business may call JUniper 5-1200, Mrs. Jensen or JUniper 7-1700, Mrs. Bhend.

JAMES R. TORMEY

Closer cooperation between the office of County Superintendent of Schools and the school boards was advocated from the floor at a meeting held recently in the Colma Community Center when a group interested in the election of James R. Tormey for this office asked concerning his attitude on this practice if elected on November 7th. It was alleged by a member present from one of the important school boards that the county office had not been repre-

sented at any of their meetings in several years. Those present, most of whom were Daly City and Colma, advocated closer cooperation between the southern and northern portions of the county.

Election Data: Do you, as parents, want gambling devices in the corner drugstores, the markets, and the lunch counters close to churches and schools? Do you, as parents, want gambling permitted on the results of high school and college sports? No, of course you don't! Because you realize that the difficulties of raising children to be good citizens in such environment would be an appalling problem. That is why the California Congress of Parents and Teachers recommends a NO vote on Proposition No. 6.

Tax reduction by the removal of personal property taxes—that is Proposition No. 1. Because 22 percent of local funds used for school operations comes from personal property taxes, this proposal is a direct threat to California's educational system. Therefore, the California Congress of Parents and Teachers recommends a NO vote on Proposition No. 1.

So remember—Go to the polls on November 7th and VOTE NO ON PROPOSITIONS Nos. 1 and 6!
